

OPEN

In order to open folding doors follow these steps:

1. Always open main sash first with handle Nr. 1
2. Unlock folding sashes handle Nr. 2 in order to fold all the sashes to the side:
 - a) Pull out vertical detail in the center.
 - b) Turn it 180 degrees and push it in place
 - c) Slide all sashes to the side.

CLOSE

In order to close Folding doors take the same actions in opposite way:

1. Lock folding sashes first:
 - a) Slide all sashes backwards.
 - b) Lock/close folding sashes handle Nr. 2

NB! Always close the sashes fully before turning the handle.

2. Close main sash handle Nr. 1
